# ABOUT THE CONFERENCE

Welcome to the 2012 Ogden Surgical-Medical Society's 67th annual conference, "Dermatology in Primary and Specialty Medicine." Over the years, the Society has invited nationally-renowned speakers to come to Ogden for the annual meeting. This year is no exception. Bringing you a world class event, our faculty this year includes local and national experts. This conference provides a highly informative and educational experience that will be of interest to all practitioners and is the longest ongoing medical meeting in the western United States.

Our conference begins each morning with the popular thirty-minute sessions on *What's New in My Specialty*. Afternoon lectures consist of interesting dermatology topics from both primary and specialty medicine. You won't want to miss out on lunchtime presentations, including those by *New York Times Bestseller* T. R. Reid, author of *The Healing of America: A Global Quest for Better, Cheaper, and Fairer Health Care*; Anita Clayton, MD, author and psychiatrist, speaking on *Women's Sexuality*; Susan Muller, DMD, otolaryngologist, speaking on *Red, White & Ulcerative Lesions of the Oral Cavity*; and a physician speaking on his experience at *Camp Discovery*, a camp for young people with chronic skin conditions.

Additionally, you will have the option in the afternoons to sign up for small group sessions instead of attending one or more of the above-mentioned lectures. These will be hands-on skills labs that include topics such as Biopsies, Suturings, Excisions, Pill Shoppers 101, Ear Draining, Name That Rash, and Wound Repair.

To top off the event, we will enjoy FREE social events again this year. Wednesday night will be the *George S. Eccles Dinosaur Park Family Night Buffet* sponsored by McKay-Dee Hospital. Thursday we'll welcome the return of the *Ladies Social* with a luncheon event sponsored by *Weber County Medical Society & Alliance* and *UMA Financial Services*, followed that evening by the *President's Reception Dinner* at the *Ogden Union Station* sponsored by *Ogden Regional Medical Center* and the *Utah Academy of Family Physicians' Annual Meeting*.

## OGDEN SURGICAL-MEDICAL SOCIETY ENDS POLICY

Attendees specifically and the local community in general will receive a collegial, professional experience focused on health care and community at the greatest possible value.

## CONTINUING MEDICAL EDUCATION INFORMATION

The Ogden Surgical-Medical Society is accredited by the Utah Medical Association to provide continuing medical education for physicians.

The Ogden Surgical-Medical Society designates this live activity for a maximum of 25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Academy of Family Physicians Accreditation application and awarded credits pending.
