Dear Ryan, Katie, and McKenna,

The OSMS Board of Directors initiated the following policy after the 2024 Conference. It was discovered that there needed to be an addition to the honorarium policy that speakers within 50 miles of Ogden do not qualify for a hotel room unless there is a need such as their lecture occurring in the early morning hours of the next day. It also needs to be added that while the speakers are welcome to free CME during the CME conference in the year they are lecturing this does not entitle them to hotel rooms for the duration of the conference at their discretion.

With this policy, the changes to the honorarium will be changed to reflect this change as of June 13, 2024.
