

Community Comes First at Ogden Clinic

Ogden Clinic has been meeting the healthcare needs of Utah families for over 65 years. Independent and physician-owned, Ogden Clinic has grown from a single location with eight physicians to 18 locations with over 145 providers dedicated to providing quality healthcare. Today, we proudly serve Davis and Weber County with 21 medical specialities ranging from pediatrics to women's health, to surgery and more.

Bringing Health Care to the World 2019

Primary and Specialty Care

May 14, 15, 16, & 17, 2019

DID YOU KNOW?

- **1 in 3** American adults is at high risk for kidney disease (KD)
- The risk of KD increases to **1 in 2** over the course of a lifetime
- **1 in 7** American adults has KD, and most don't know it
- **Diabetes and high blood pressure** are the two leading causes of KD
- Nearly **30.3 million** Americans have diabetes
- More than **226,000** people are currently living with kidney failure caused by diabetes
- **75 million** American adults have high blood pressure, and 20% don't know it
- KD kills over **91,000** Americans every year—more than breast and prostate cancers combined
- Because KD often has **no symptoms**, it can go undetected until it is very advanced
- **Early detection** and treatment can slow or prevent the progression of KD
- Of the over **121,678** Americans on the waiting list for a lifesaving organ transplant, more than **100,791** need a kidney, and fewer than **17,000** people receive one each year
- Every day, over **13 people die** waiting for a kidney
- Once the kidneys fail, dialysis or a kidney transplant is **required**
- Over **468,000** Americans are on dialysis and approximately **193,000** live with a functioning kidney transplant
- Annual medical payments for a patient with KD increase from **\$15,000** in stage 3 to **\$28,000** in stage 4 to more than **\$70,000** in stage 5
- The average annual number of physician visits for an individual with diagnosed KD is **10.28**—second only to cancer
- Almost **60 billion** us health care dollars are spent annually to treat people with KD

Looking Ahead!

Save the dates for the 2020
Ogden Surgical-Medical Society Conference:
May 12, 13, 14, & 15, 2020

President's Message

Colleagues,

It is with great pleasure that I invite you to the Ogden Surgical-Medical Society's 74th annual conference.

As important as the opportunity for Continuing Medical Education (CME), the annual meeting also provides the opportunity for Community Medical Association (CMA). The OSMS offers attendees an unparalleled chance to get acquainted with new colleagues and refresh relationships with old friends.

The meeting will once again feature an outstanding series of *What's New in My Specialty* plenary lectures in the mornings. Afternoon sessions will consist of elective skills labs, workshops, and additional lectures. Below are some of 2019's featured speakers:

Abdul Nasser Kaadan, MD, PhD is a Visiting International Professor at Weber State University. An orthopedic surgeon, he is the founder and president of the International Society for the History of Islamic Medicine, and was a professor and department chairperson at Aleppo University in Syria. In 2012 he was nominated for a Nobel Prize in literature. He will discuss the challenges of providing care in a conflict zone.

Richard Gunderman, MD, PhD is a contributing writer for *The Atlantic*. He is a professor of radiology, pediatrics, medical education, philosophy, liberal arts, and philanthropy, and vice-chair of the Radiology Department at Indiana University. His most recent book is *We Come to Life with Those We Serve: Fulfillment through Philanthropy*.

Gary Green, MD is the Medical Director for Major League Baseball, and is their Research Director and Consultant on Anabolic Steroids and Performance-Enhancing Drugs. He is also the head team physician for Pepperdine University. He will discuss some of his experiences regarding the use and detection of performance-enhancing drugs.

Samuel Shem, MD is a novelist, playwright, essayist, and activist. His novels *House of God*, *Fine*, and *Mount Misery* have sold over 3 million copies. We will be privileged to hear his thoughts on the current state of medicine as he prepares to release *Man's 4th Best Hospital*, the sequel to *The House of God*, on November 12, 2019.

I look forward to seeing you at the meeting!

Sincerely,

Mike Webb, MD
2019 President, Ogden Surgical-Medical Society

Together for:

Every day you're reminded why it's so important to work together to improve care. But hurdles arise, competition grows, regulations increase. What if your insurance company could help? Working together with Constellation, it can. Constellation offers solutions that reduce risk, support care teams and improve the bottom line. See how working together can benefit you at [ConstellationMutual.com](https://www.constellationmutual.com)

**You don't
have to go far
to get well.**

Davis Hospital and Medical Center is proud to support the Ogden Surgical-Medical Society Conference. Thank you for all you do for the health of our community.

Davis Hospital and Medical Center

A STEWARD FAMILY HOSPITAL

In Partnership with Physician Owners.

Authors & Book Signings

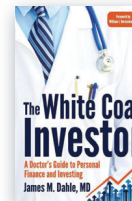

Tim Ballard, Founder and CEO of Operation Underground Railroad, CEO of The Nazarene Fund, and best-selling author, will lecture on Tuesday, May 14 at 7:30 PM. His book, *Slave Stealers: True Accounts of Slave Rescues Then and Now*, alternates two riveting stories, weaving them together to expose the persistent evil of trafficking and sexual exploitation that has existed for centuries and inspiring us to find a way to end it.

Book signing will follow the lecture at 8:30 PM.

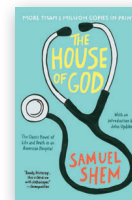

Richard Gunderman, MD, PhD, radiologist, professor, and author, will lecture on two of his books on Thursday, May 16 at 12:30 PM; *We Make a Life by What We Give* draws from his experiences as a physician and educator to build a case for giving as an essential element in a full career and life, and *We Come to Life with Those We Serve: Fulfillment Through Philanthropy* reminds health providers that we are most enriched not in taking from others but in sharing the best we have to offer through a life of service.

Book signings will follow the lecture at 2:00 PM.

James Dahle, MD, a practicing emergency physician, will lecture on his book, *White Coat Investor*, on Thursday, May 16 at 4:30 PM. His book is a high-yield manual that deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. It will teach you how to use income to escape from student loans, provide for family, build wealth, and stop getting ripped off by unscrupulous financial professionals.

Book signing will follow the lecture at 5:30 PM.

Samuel Shem, MD, author of the widely known novel *House of God*, will present the lecture "How to Stay Human in Medicine: From the House of God to Man's 4th Best Hospital" on Friday, May 17 at 12:30 PM. *House of God* is a mesmerizing and provocative novel about Roy Basch and five of his fellow interns, based on Shem's own grueling internship experiences at Harvard Medical School's Beth Israel Hospital. His new novel, *Man's 4th Best Hospital* will be released November 12, 2019.

Book signing will follow the lecture at 2:00 PM.

Twila Bird is the editor of *Let Me Tell You My Story: Their Story is Our Story*. This book documents the flood of refugees pouring into the West from the Middle East and Africa over the course of two years by a group of award-winning photographers, filmmakers, painters, and writers. Spare, haunting, utterly magnificent, and profoundly human, it is an inspiring collection that creates a portrait of the greatest humanitarian crisis of modern history.

Book signing will be held on Tuesday, May 14 at 8:30 PM and throughout the conference, May 15–17.

General Information

Registration

Please check in at the registration desk to pick up conference materials.

To obtain credit for attendance, please use the conference app. If you wish, the staff members, Karinna Ly and Jason Gomez, can help you with this process at the registration tables.

CME Information

The Ogden Surgical-Medical Society is accredited by the Utah Medical Association to provide continuing medical education for physicians.

This meeting was one of the first of its kind to meet the standards established by national medical accrediting bodies, and over the years has been attended by thousands of physicians.

Course Goals

This program will offer a selection of topics to benefit a variety of medical professionals. The course strategy is to provide quality CME subjects that cover a broad range of topics in medicine.

The Ogden Surgical-Medical Society designates this live activity for a maximum of 28.50 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACGME Competencies

This course is designed to meet the following Accreditation Council of Graduate Medical Education

Competencies: Patient Care, Medical Knowledge, Practice-Based Learning and Improvement, Interpersonal and Communication Skills, Professionalism, and System-Based Practice.

This Live activity, Primary and Specialty Medicine: Bringing Health Care to the World 2019, with a beginning date of 05/14/2019, has been reviewed and is acceptable for up to 27.50 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Please note: "Essential Oils and Medicinal Garden" and "White Coat Investor" are not eligible for CME credit. Application # 84339

This Live activity, Pain Management and Opioids: Balancing Risks and Benefits, with a beginning date of 05/17/2019, has been reviewed and is acceptable for up to 4.00 Prescribed credit(s) and 4.00 Elective credits by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Application # 84175

EMS

This activity has been approved for up to 28.50 Hours by the Utah Department of Health-Bureau of Emergency of Medical Services for Utah EMS Professionals (28.50 BEMSP Approved CME).

PARKING DIRECTIONS

Ogden Surgical-Medical Society
Conference Location: Shepherd Union Building, 3rd Floor.
Weber State University Address: 3848 Harrison Blvd., Ogden, Utah 84408

Free Parking for OSMS Conference at Weber State University-Parking Lots W8, A9, and W7

Driving from South:

1. Drive north on Hwy 89
2. Right turn Harrison Blvd
3. Right turn 3950 South
4. Right turn S. Dixon Drive
5. Left turn Playfield Way
6. Arrived - Lots W8/A9/W7

Driving From North:

1. Drive south on Hwy I-15
2. Exit 344, 12th Street
3. Left turn 12th street
4. Right turn Harrison Blvd
5. Left turn 3950 South
6. Right turn S. Dixon Drive
7. Left turn Playfield Way
8. Arrived - Lots W8/A9/W7

Shepherd Union Building is straight north of Parking Lot W8. (Parking attendants will be at W8/A9/W7 for location questions. Greeting WSU Ambassadors with golf carts will be at W8.)

--- Walk from W8/A9/W7 to Shepherd Union
 --- Drive to W8/A9/W7 Parking Lots

In *Memory* of

The Ogden Surgical-Medical Society extends their sympathy to the family and friends of our colleagues. Their presence and contribution to medicine will be greatly missed.

General Information

Overall Program Objectives

At the completion of the medical conference, attendees will have a better idea of how to treat, manage, and educate their patients by:

1. Addressing what's new in specialty medicine (and when to refer) concerning innovations in: treatment of sleep apnea, pediatric ophthalmology, whole blood transfusion, usage of procedural sedation, medical marijuana, cochlear implantation, lung cancer screening, cognitive behavioral therapy, treatment of anaphylaxis, treatments of iliofemoral DVT, and treatment of pulmonary embolism;
2. Identifying current medical issues (and when to refer) concerning 3D patient-specific health care, mammography, traumatic brain injury, infertility, stroke or tumor ablation, testing in GI, cancer and the kidney, and public health;
3. Experiencing hands-on performance skill labs concerning vertigo, pediatric vision screening, shoulder and knee exams with injection skills for the primary care physician, new techniques and technology in radiology (from handheld to when to refer), PT for the primary care physician, opioid prescribing, BLS certification, PALS certification, and death certificate training;
4. Addressing the mentioned current medical issues, and through review or integration of new or improved discoveries of current medical issues, improve competence and performance in clinical practice for patient care;
5. Identifying recent changes in health care laws and policies and discussing how they impact the medical practice and practitioner;
6. Enhancing competence and performance skills of the interdisciplinary team to improve care of patients needing primary and/or specialty care. The intent is to facilitate productive, collegial action between the medical team, including physicians, physician assistants, nurses, nurse practitioners, social workers, and first responders.

General Information

Membership

As a member of the Ogden Surgical-Medical Society, you may attend the entire medical conference, receive dedicated CME Credits, conference materials, breakfasts, lunches, and breaks. An audio version and PowerPoint slides of the presentations will be available on our conference app and our website after the conference: www.ogdensurgical.com

Annual dues are:

\$375	Doctorate Level Provider
\$350	Doctorate Level, attending first time ever
\$300	Nurse Practitioner and Physician Assistant
\$250	Retired Doctorate Level Provider, Nurse Practitioner, and Physician Assistant
\$175	Nurse, Social Worker, and EMS Professional

A late fee of \$50 is added after April 12, 2019.

Special Needs

The Ogden Surgical-Medical Society and Weber State University fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If you need assistance, please call Teresa Puskedra at 801-564-5585.

History

The Ogden Surgical-Medical Society originated from a cloak-room discussion between Doctors E. R. Dumke, C. L. Rich, and G. M. Fister. In their effort to bring quality medical education to the community of Ogden, they held the first "Spring Surgical Clinic" on April 16, 1946 in the lecture hall of the old Thomas D. Dee Memorial Hospital.

Since that time the Society has grown in membership and still provides a faculty that is comprised of eminent medical scientists, teachers, and practitioners from the leading medical centers of America and, on occasion, the world.

This meeting was one of the first of its kind to meet the standards established by the national medical accrediting bodies, and over the years has been attended by thousands of physicians.

We gratefully acknowledge the beneficence and significant contributions of our loyal friends of the Society. Their endowment and perpetual memorials set the foundation for the Ogden Surgical-Medical Society to continue their mission.

 2000 to 2003 J. W. Starley, MD
 2004 to 2017 F. H. Brown, MD
 2018 to date S. D. Scharmann, MD

Wednesday, May 15 (continued)

11:00 AM

Bringing Health Care to the World with Statistics (1 CME)

Brent C. James, MD

Ballroom A, B, C

or

Clinical Poster Presentation (1 CME)

Residents and wsu Students

Room 320

12:00 - 12:30 PM

Lunch

12:30 - 2:00 PM

Keynote Lunch Speaker

Past, Present, and Future of Antidoping and Performance-Enhancing Drugs in Sports (1.5 CME)

Gary Green, MD

Ballroom A, B, C

2:00 - 2:30 PM

Break with Exhibitors

2:30 PM

Aligning Community Initiatives to Address Social Determinants of Health (1 CME)

Brian Bennion, MPA, LEHS, Melissa Freigang, MOL, Angela Choberka, MA

Ballroom A & B

2:30 PM Skill Lab #1 — Neuroimaging for the Non-Radiologist (1 CME)

David Francom, MD

Room 321

2:30 PM Skill Lab #2 — Vertigo (1 CME)

Neil Van Leeuwen, MD

Ballroom C

2:30 PM Skill Lab #3 — Photoscreening—Pediatric Vision Screening (1 CME)

Michael Bullard, MD

Room 404B

Wednesday, May 15 (continued)

2:30 PM Skill Lab #4 — **Shoulder Exam/Injection Skills for the Primary Care Physician** (1 CME)

Steve Scharmann, MD, Joel Bass, MS, Christopher Bell, MD, Jason Blackham, MD, Clark Madsen, MD, MS, Brett Martindale, MD, Todd May, DO, Daniel Tensmeyer, MD, and David Tensmeyer, MD
Room 312

2:30 PM Skill Lab #5 — **Knee Exam/Injection Skills for the Primary Care Physician** (1 CME)

Steve Scharmann, MD, Joel Bass, MS, Christopher Bell, MD, Jason Blackham, MD, Clark Madsen, MD, MS, Brett Martindale, MD, Todd May, DO, Daniel Tensmeyer, MD, and David Tensmeyer, MD
Room 305

3:30 PM

Rocky Vista University College of Osteopathic Medicine (1 CME)

David Park, DO
Ballroom A & B

3:30 PM Skill Lab #1 — **Neuroimaging for the Non-Radiologist** (1 CME)

David Francom, MD
Room 321

3:30 PM Skill Lab #2 — **Vertigo** (1 CME)

Neil Van Leeuwen, MD
Ballroom C

3:30 PM Skill Lab #3 — **Photoscreening–Pediatric Vision Screening** (1 CME)

Michael Bullard, MD
Room 404B

3:30 PM Skill Lab #4 — **Shoulder Exam/Injection Skills for the Primary Care Physician** (1 CME)

Steve Scharmann, MD, Joel Bass, MS, Christopher Bell, MD, Jason Blackham, MD, Clark Madsen, MD, MS, Brett Martindale, MD, Todd May, DO, Daniel Tensmeyer, MD, and David Tensmeyer, MD
Room 312

Poster Presentation

- 1** The Clinical Poster Presentation Sessions will be held on Wednesday, May 15, 2019 at 10:00 AM and 11:00 AM in Ballroom C. The posters will stay up for voting until 5:00 PM.
- 2** Doctorate Level and WSU students will be presenting their Research Clinical Posters.
- 3** All Attendees of the conference are encouraged to attend and cast your vote for the top three presentations in the doctorate level category and the student category.
- 4** When voting, please consider:
 - Originality/innovative nature of project
 - Statement of purpose/goals
 - Project description
 - Evidence-based nature of content
 - Validity of conclusions

Wednesday, May 15 (continued)

3:30 PM Skill Lab #5 — Knee Exam/Injection Skills for the Primary Care Physician (1 CME)

Steve Scharmann, MD, Joel Bass, MS, Christopher Bell, MD, Jason Blackham, MD, Clark Madsen, MD, MS, Brett Martindale, MD, Todd May, DO, Daniel Tensmeyer, MD, and David Tensmeyer, MD
Room 305

4:30 PM Update on Mammography (1 CME)

Brett T. Parkinson, MD

4:30 PM Skill Lab #1 — Neuroimaging for the Non-Radiologist (1 CME)

David Francom, MD
Room 321

4:30 PM Skill Lab #2 — Vertigo (1 CME)

Neil Van Leeuwen, MD
Ballroom C

4:30 PM Skill Lab #3 — Photoscreening—Pediatric Vision Screening (1 CME)

Michael Bullard, MD
Room 404B

4:30 PM Skill Lab #4 — Shoulder Exam/Injection Skills for the Primary Care Physician (1 CME)

Steve Scharmann, MD, Joel Bass, MS, Christopher Bell, MD, Jason Blackham, MD, Clark Madsen, MD, MS, Brett Martindale, MD, Todd May, DO, Daniel Tensmeyer, MD, and David Tensmeyer, MD
Room 312

4:30 PM Skill Lab #5 — Knee Exam/Injection Skills for the Primary Care Physician (1 CME)

Steve Scharmann, MD, Joel Bass, MS, Christopher Bell, MD, Jason Blackham, MD, Clark Madsen, MD, MS, Brett Martindale, MD, Todd May, DO, Daniel Tensmeyer, MD, and David Tensmeyer, MD
Room 305

Thursday, May 16 Meeting Schedule

7:00 AM

Welcome and Announcements

7:30 AM

What's New in My Specialty?

Procedural Sedation (.5 CME)

William Sheffield, MD

Ballroom A, B, C

8:00 AM

What's New in My Specialty?

Update of the Recent Utah State Legislative Session from the UMA Perspective (.5 CME)

Michelle McOmber, MBA, CAE, CEO Utah Medical Association
