George M. Fister, MD

We are pleased to invite you to participate at the 74th Ogden Surgical-Medical Society Annual Meeting to exhibit information about your organization and products at Weber State University on May 14, 15, 16, and 17, 2019. This year's theme is *Bringing Health Care to the World 2019*.

Approximately 500 health providers attended our CME conference last year and we expect this number and more. The Ogden Surgical-Medical Society has maintained a tradition over the past seventy-three years to bring national medical professionals to speak at our annual meeting; this year is no exception. Hundreds of physicians and mid-level providers from a wide range of specialties will be attending.

If you have attended this meeting in the past, you already know the quality of professionals who attend and if you haven't, it is an opportunity you won't want to miss!

Exhibit tables will be located on the 3rd floor of the Weber State University Shepherd Union Building in the hallway outside the Grand Ballroom. There are a few ways for you to participate this year and they can be found on the second page of this letter. You can purchase an exhibit space and/or sponsor a breakfast, lunch, or break.

I look forward to working with you. If you have any questions, or need a special proposal or application, please contact me at 801-564-5585 or email teresapuskedra@ogdensurgical.com

Sincerely,

Teresa Puskedra
Executive Director
Ogden Surgical-Medical Society
